### *Eligibility*

Before completing the LOI please read the Grant Guidelines. NJCH staff will review the LOI to determine if your proposed project meets the basic requirements for eligibility in the grant program. If your organization and project fit within the eligibility criteria, you will be invited to submit an application. Please note that an invitation to submit an application does not guarantee funding.

If you have any questions, please contact us at [grants@njhumanities.org](mailto:grants@njhumanities.org).

### **Eligibility Requirements\***

## *FAQ*

---

*The list below is not exhaustive, but addresses common technical questions people have when completing their LOI. For additional information, we recommend that you review the grant guidelines.*

### **Can I save a draft of my LOI and come back to it?**

Yes. You will be able to save a draft of your LOI and return as often as you wish prior to submitting. While the system will periodically save your work, we recommend that you use the save button at the bottom of the application as you progress and prior to exiting the form.

Please note that the autosave feature does not work with the Microsoft Edge browser.

**Below the narrative questions in the LOI and application it says there are X out of Y characters remaining. Do I need to complete the question with all the available characters?**

No. You **do not** need to use all the characters available to answer the narrative questions. The focus should be on clearly communicating your ideas rather than on filling the allotted space. The maximum character count provided is higher than applicant responses from previous rounds, so there should be more than enough space provided to effectively answer these questions.

**How can other people on my team work on the LOI?**

By default, the LOI will only be accessible to the primary applicant, even if other members of your team have an active account in our system. We recommend using the Collaborator feature if you need to give other project team members access, but please note that permission cannot be assigned to the full request but rather will need to be assigned per form. To learn more click [here](#).

**How do I print or save a PDF copy of my LOI?**

If you would like a PDF copy of your LOI to either print or save, click the LOI Packet button which is located above the questions on the right hand side. You will always have access to your LOI by logging back into the our grant management system, even after you submit it.

**I completed all of the fields in the LOI. What should I do next?**

When your LOI is complete click the Submit LOI button at the bottom of the form. Please do not forget this step! NJCH staff will not review your LOI, even if all the fields are completed, until it is submitted.

**I submitted my LOI. When can I expect a response?**

After you submit your LOI, we will notify you within 3 business days of our decision. If you do not receive a notification within that timeframe please contact us at [grants@njhumanities.org](mailto:grants@njhumanities.org).

Please note that our email notifications may end up in your junk or spam folder. We recommend that you mark [administrator@grantinterface.com](mailto:administrator@grantinterface.com) as safe in your email.

**I have a technical issue or question. Who should I contact?**

Please contact us at [grants@njhumanities.org](mailto:grants@njhumanities.org) if you have any technical issues or questions.

use for assessment (surveys, focus groups, etc.)? How will you use that information to help identify whether you have reached your goals?

## *Humanities Scholar*

---

All Action Grant projects are required to have a humanities scholar as part of the project team, though it is possible that a significant portion of their input took place during the planning and development process. Humanities scholars come from a variety of backgrounds:

- Public humanists who may have an advanced degree in a humanities field, but are not affiliated with a college or university and work as practitioners
- Humanities scholars from nontraditional backgrounds who are defined by their own communities as keepers of knowledge and cultural resources

Additional information about humanities scholars is available in the <https://njhumanities.org/grants/action-grants/Action Grant Guidelines>.
